PROFILE

Motivated web developer with over one year of hands-on coding experience building responsive and user-friendly web applications. Skilled in HTML, CSS, JavaScript and React, with practical experience integrating REST APIs and working with Node.js and Express.js. Strong problem-solving mindset with a growing focus on UI/UX, reusable components, responsive interfaces and real-world application development. Eager to contribute, learn from experienced developers and grow through hands-on React development.

TECHNICAL SKILLS

Frontend	HTML5 • CSS3 • JavaScript (ES6+) • React
Backend	Node.js • Express.js
Development	Responsive Web Design • REST API Integration • Reusable Components • UI/UX
Tools	Git • GitHub • VS Code

CORE STRENGTHS

- Problem-solving and troubleshooting
- Strong attention to UI/UX and responsive design
- Ability to build and maintain responsive web applications
- Fast learner and adaptable to new technologies
- Passion for building practical, real-world digital products

ADDITIONAL INFORMATION
